# PAKISTAN SOFTWARE EXPORT BOARD (GUARANTEE) LIMITED NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2014

#### 1. STATUS & NATURE OF BUSINESS

Pakistan Software Export Board (Guarantee) Limited ("the company") was incorporated in Pakistan under the Companies Ordinance, 1984 on 13 June 1998 as company limited by guarantee not having share capital to carry on business activities previously performed by the Pakistan Software Export Board more independently, effectively and dynamically. The registered office of the company is situated at 2nd Floor, Evacuee Trust Complex, Sector F-5/1, Islamabad. The company is fully owned and controlled by the Federal Government through Ministry of Information Technology.

The principal objective of the Company is to make Pakistan a preferred destination for the business process outsourcing, position Pakistan as a key player in the global information technology market, creating an environment that is conductive for IT business in the country and develop and strengthen domestic IT industry through various support programs and projects to deliver higher value added services and enhance IT and IT enabled services (ITeS) export from Pakistan.

#### 2. STATEMENT OF COMPLIANCE

These financial Statement have been prepared in accordance with the Accounting and Financial Reporting Standards for Medium-Sized Entities as applicable in Pakistan and the requirements of the Companies Ordinance, 1984. In case requirements differ the provision or directive of the Companies Ordinance, 1984 shall prevail.

#### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 3.1 Basis of presentation

These financial Statements have been prepared under the historical cost convention except as other wise Stated in the respective policies and note given hereunder.

## 3.2 Significant accounting estimates and judgments

The preparation of financial Statement in conformity with the Accountants and Financial Reporting Standards for Medium-Sized Entities issued by the Institute of Chartered Accountants of Pakistan requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumption are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgment about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

Cun

Significant areas requiring the use of management estimates in these financial statements relate to the useful lives of depreciable assets, provision for doubtful receivables and provision for taxation. However, assumptions and judgments made by management in the application of accounting policies that have significant effect on the financial statements are not expected to result in material adjustment to the carrying amounts of the assets and liabilities in the next year.

#### 3.3 Deferred grants

Deferred grants represents the amount received from Government of Pakistan through Ministry of Information Technology. Government grants are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Fair value signifies the amount received in cash and current market value in case of grant received in kind.

Government grants relating to expenses are deferred and thereafter recognized in the profit & loss account over the period necessary to match them with the expenses that they are intended to compensate.

Government grants relating to property, plant and equipment are recognized as deferred grants and credited to the profit & loss account over the useful lives of the related assets.

#### 3.4 Revenue recognition

Revenue is recognized when it is probable that the economic benefits associated with the transaction will flow to the company and the amount of revenue and the associated cost incurred or to be incurred can be measured reliably, on the following basis

- i) Revenue from bandwidth and related service is recognized on the basis of billing to the customers.
- ii) Annual registration and renewal fee is recognized on cash basis.
- iii) Return on deposits with banks is recognized on time proportion basis taking into account the amounts outstanding and the applicable rate of return.

# 3.5 Foreign exchange

These financial statements are prepared in Pak rupees, which is the company's functional currency. All monetary assets and liabilities denominated in foreign currencies are translated into Pak rupees at the rates of exchange prevailing at the balance sheet date, while the transactions in foreign currency during the year are initially recorded in functional currency at the rates prevailing at the transaction date. All non monetary items are translated into Pak rupees at the exchange rates prevailing on the date of transaction or on the date when fair values are determined. Gain and losses on settlement and translation at the year end are recognized in the profit & loss account.

and

#### 3.6 Staff benefits

#### Medical facility

Employees are entitled to medical facility allowance as determined in accordance with service regulations of the company. During the year employees can get their actual medical expenses reimbursed and remaining balance of unused entitlement, if any, is forwarded to succeeding years which employees can get reimbursed in succeeding years or can encash on termination / resignation from the service.

#### Gratuity scheme

The company operates an unfunded gratuity scheme for its employees. Provision for gratuity is made annually to cover obligation under the scheme on the basis of forty five days basic pay for each respective completed year of service.

#### Employees' earned leaves

The company accounts for the liability in respect of employees' earned leaves in the year in which these are earned. Provision to cover the obligation is made using the current salary level of employees.

#### 3.7 Taxation

#### Current

Provision for tax is based on taxable income for the year determined in accordance with the prevailing law of taxation of income. The charge for tax is calculated using the prevailing tax rate or tax rates expected to apply to the surplus for the year if earned. The charge for tax includes adjustments, where considered necessary, to provision for tax made in previous years arising from assessments framed during the year for such years.

#### Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary timing differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognized for all the taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on tax rates that have been enacted.

#### 3.8 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing the asset to the working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefit associated with the item will flow to the company and the cost of the item can be measured reliably. All other repair and maintenance costs are charged to profit & loss account during the year in which they are incurred.

Depreciation on property, plant and equipment is charged to profit & loss account on reducing balance method, except lease hold land which is depreciated on straight line method, at the rates given in relevant note so as to write off the cost /depreciated amount of the assets over their estimated useful lives. Depreciation on addition is charged from the month in which the assets are available for use and on deletions up to the month in which the assets are de-recognized / disposed off.

An item of property, plant and equipment is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or lose arising de-recognition of the asset is included in the profit & loss account in the year the asset is de-recognized.

#### 3.9 Impairment of assets

The carrying value of the company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets' recoverable amount is estimated and impairment losses are recognized in the profit & loss account.

#### 3.10 Provisions

Provisions are recognized when the company has a present legal and constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligations and a reliable estimate can be made of the amount of obligation.

## 3.11 Public Sector Development Programme (PSDP) Projects

Grants related to PSDP and other projects are categorized seperately as these cannot be used for other purposes.

#### 3.12 Financial instruments

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument, the particular recognition methods adopted are disclosed in the individual policy statements associated with each item. The company de-recognizes the financial assets and liabilities when it ceases to be a party to such contractual provisions of the instrument. The company recognizes the regular way purchases or sale of financial assets using settlement date

The particular measurement methods adopted are disclosed in the following individual policy statements with each item:

#### a) Trade and other receivables

Trade debts and other receivables are carried at original invoice value less an estimate made for doubtful debts based on review of all outstanding amounts at the year end. Bad debts are written off when identified.

#### b) Trade and other payables

Liabilities for trade and other payables are carried at cost which is fair value of the consideration to be paid in the future for goods and services received.

#### c) Cash and cash equivalents

Cash in hand and at banks are carried at fair value. For the purpose of cash flow statement, cash and cash equivalents comprise of cash in hand cash with banks in current and saving accounts.

#### 3.13 Off setting

Financial assets and liabilities are set off and the net amount is reported in the balance sheet, if the company has the legally enforceable right to set off the recognized amounts and the company intends to settle either on a net basis or realized the assets and settle the liability simultaneously.
