

FINANCIAL INCENTIVE (CASH REWARD)

DISBURSEMENT

The financial incentive (cash reward) disbursement is based on the positive export remittance growth achieved during Q2 of FY2023-24, in comparison to Q1 of FY2023-24 by PSEB registered IT & ITeS businesses. Exporters with negative growth of IT & ITeS export remittance receipts during Q2 of FY2023-24 in comparison to export remittances during Q1 of FY2023-24 are not eligible. Only export remittance receipts against eligible IT & IT-enabled Services are considered (i.e., SBP purpose codes 9181 to 9185, and 9102).

Due to limited funds, the financial incentive (cash reward) payment is given to top 550 exporters with positive Quarter-on-Quarter growth with descending payment across 5 slabs of 100 each and an additional slab of the 50 exporters.

In addition, in order to encourage IT & ITeS exporters to participate in and support Co-Opt program to place interns of final year students of Bachelor's degree in computer sciences and related computing technology fields, estimated 3,500 interns will be placed with the IT & ITeS exporters that become part of the Co-Opt program and Rs. 50,000 per intern will be paid to the said exporters.

The disbursement of the financial incentive (cash reward) will be as given below:

Payment per Exporter	No. of Exporters	Total Payment
2,500,000	Top 100 (highest export remittance)	250,000,000
2,000,000	101-200	200,000,000
1,500,000	201-300	150,000,000
1,250,000	301-400	125,000,000
750,000	401-500	75,000,000
500,000	501-550	25,000,000
50,000/Intern	3,500 Interns	175,000,000
Total Financial Incentive (Cash Reward) Amount		Rs. One Billion

Over and above the cash reward, the top 10 IT & ITeS exporters are given trophies. Furthermore, the top 3 exporters with highest total export remittances during the first 6 months of the FY 2023-24 are given trophies in categories of 1) IT Products & Solutions, 2) IT Consultancy Services, 3) BPO Services, 4) Call Center Services, 5) Gaming & Animation, and 6) Women Entrepreneurs in Tech. For 7) Fastest Exports Growth category, top 3 companies are selected based on highest export growth from Q1 (Jul-Sep) to Q2 (Oct-Dec) of FY 2023-24.
